Week 9 (Term 2) – Madeleine Clancy, Chloe Scholz, Nikita Maclean, Melanie Fischer

Red Awards

Shanae Doolan, Chloe Scholz, Nikita Maclean, Melanie Fischer

Well the end of the term is here already – where did the last ten weeks go!? Our students have all earned a break as they have been working very hard this term. They will need some R and R as we have a very busy term three waiting for them.

Be safe and enjoy this time with your children!!

School Garden

Our garden is in!! All of our students from Kinder to Year 6 were involved in planting fruit and vegetables such as strawberries, onions, beans, garlic and carrots. Our Primary children have now devised a roster to maintain the garden. We are looking forward to seeing and eating the wonderful produce in the near future.

Pirate Day

On Friday 12th June the students dressed as pirates, decorated their own eye-patches and raised money for the 'Kids cancer project'. We raised a total of \$41!! Well done everybody!!

Movie Night

Our inaugural 'Movie Night' was a great success! All of the children enjoyed the wonderful catering of Mrs Lieschke and the movie – Paddington. A big thank-you to Mrs Lieschke, Miss Jamieson and Miss Linton for helping on the night.

Riverina Cross-country

Well done to Declan Maclean on a fine effort at the Riverina Cross-country carnival held recently at Gundagai. Declan finished 35th (from 50 runners) on the day, and is already plotting his campaign for next year.

Police visit

Last Wednesday we had a visit from Senior Constable Andrew Richardson and Constable Swarbrick. They spoke to the children about many topics including being safe in the community, using triple zero and cyber safety. We hope to have these officers visit our school again in the near future.

HAPPY HOLIDAYS!!!

MISS JAMIESON'S K/1/2 CORNER

The Term is almost over and we are all looking forward to some holiday fun! K/1/2 have been enjoying making lots of artwork to decorate our room this week. We looked at Vincent Van Gogh's 'Starry Night' painting, and even made our own version. They look fantastic! The students are very pleased with their effort and really love seeing their artworks on display. Please feel free to pop in any time to have a look!

Reports

I had the pleasure of writing you child's reports this Semester, and it truly was a pleasure! I am so impressed at how well the children are progressing and their attitude towards learning. They are all a pleasure to teach. Every day they continue to mature and develop into beautiful little people! As a new graduate, this is my first report writing experience and your children made it a very easy job.

SeeSaw

This Term K/1/2 have spent a little bit of time using a new iPad app. called 'SeeSaw'. This is a blogging tool that allows students to share their learning on a personal blog. This blog is only able to be viewed by our students. The app. has a feature that allows parents to become connected with their child. Parents will receive announcements when their child creates a new blog post. I would love the children to be able to share their learning with you as much as possible. We are still testing SeeSaw out, but stay tuned for more information next Term about how you can become involved!

Have a safe and happy holiday!

Miss Jamieson
