125 YEAR CELEBRATIONS

What a fantastic day!!

We were blessed with perfect weather to celebrate the 125th anniversary of our beautiful school. It was fantastic to see the huge number of past students, staff and community members meet to take a trip down memory lane and catch up with old friends.

A huge thank you must go to our hardworking and generous P and C who went above and beyond expectations to ensure that the grounds were looking magnificent and that everything ran smoothly on the day. Thank you all!

Thank you to Nicole Beckett, President of our P and C, who put in countless hours prior to the day in organising and overseeing pretty much everything! Thanks Nic!

Thank you to the many people and organisations who donated goods and services towards our celebrations - Andrew McGrath (Coles, Albury), Bec Clancy (HMFD), Hugh and Virginia Clancy, Nicole and Peter Beckett, Sandra Schilg, Pleasant Hills Tennis Club, Pleasant Hills Community Hotel, Julianne and Rick Clancy, Liz Lane, Emily and Cameron Turner, Wayne and Annie Scholz, Jason and Catherine Singe, Lyn Jacobsen and the CWA ladies, April Salzke, Von and Les Heald, Aleisha Kleinert, Suzanne Cheney, Warren Lieschke and members of the Pleasant Hills Car Club.

A MESSAGE FROM OWEN DUNLOP

"I just wanted to say thank you for making Narelle and I so welcome at the 125th Celebrations. Could you please pass on our congratulations to all the other staff, parents and community members involved. Pleasant Hills is still a very special school and even though the physical environment has been enhanced over the years one thing has not changed, it is a wonderful little school capably led and managed by a great team. As Darryl Maguire said the students are so fortunate to benefit from what Pleasant Hills offers today. Please also let the school leaders and students to

know how impressed we were with them from initial greetings at the front gate through to their excellent "Live Show" and conduct during the day."

Owen Dunlop Principal Pleasant Hills Public school 1988/89/90.
