## MELBOURNE CUP DAY

Students, staff and parents were looking fantastic on Tuesday as we participated in our Spring Carnival activities. The refreshments on the lawn underneath our marquee were very popular.

Our 'Fashions on the Field' was hotly contested - with all students dressed elegantly. Our winners - as voted by the students - were Joseph Clancy and Lily Beckett.

A big thank you to those parents who were able to attend at this very busy time of year.

## MUSICA VIVA

This Friday 10th November we will travel by bus to Boree Creek to join the other Greater Kengal schools for the Musica Viva concert. Primary students will also participate in a tennis competition while the Infants students will participate in ball games.

## SUN SAFETY

A gentle reminder that our policy in regards to hats is 'No hat - play in the shade'. If you need another school bucket hat please let Mrs Clancy know at school. Hats are also required during sports activities.

We also recommend that the children apply sunscreen to their arms, legs and face in the mornings.

## CRICKET CLINICS

Our cricket clinics have so far proven to be very popular with our students on Wednesday mornings. We may even have some future cricketing superstars amongst us!

## KINDERGARTEN 2018 ORIENTATION DAY

Our incoming Kindergarten students for 2018 will be visiting us for their final orientation day on Monday 6th November.

## SWIMMING LESSONS

Our annual swimming lessons will begin on Monday 27th November and will run daily for two weeks. These lessons will be run at the Henty Swimming Pool under the watchful eye of swimming instructor Denise Coghlan.

Further information and permission notes will be sent home next week.

*Our students proudly display their fashions.*
