Tuesday	30th May	Science Day - Boree creek PS
Thursday	15th June	Riverina Cross-country

Photographic moment

Tash and Breannah enjoying their day.

Bede loved using the microscopes to study 'water mini-beasts'!

WELCOME BACK

Welcome back to another busy and productive term! It has been fantastic to see how settled and ready to learn our students are after their Easter break. They are to be commended on their efforts so far this term.

CROSS-COUNTRY

Our annual Greater Kengal Cross-country Carnival was held on the last day of Term One. Our students are to be congratulated on their efforts on the day.

As well as the races, all students took part in some environmental activities involving studying water bugs under microscopes and studying insects and spiders in their natural environments.

Some notable results were:

Natasha Beckett	Junior Girls 1st place
Kai Heald	Junior Boys 1st place
Breannah Coghlan	11yrs Girls 1st place
Chloe Scholz	12yrs Girls 2nd place
Declan Clancy	12yrs Boys 1st Place
Joseph Clancy	12yrs Boys 2nd place

Declan Clancy was named Senior Boy Champion, Kai Heald was Junior Boy Champion and Natasha Beckett was Junior Girl Champion.

The Southern Riverina Cross-Country carnival will be held on Friday 26th May at Burrumbuttock. Our team members representing Greater Kengal will be:

Natasha Beckett, Harriet Clancy, Kai Heald, Breannah Coghlan, Chloe Scholz, Declan Clancy and Joseph Clancy.

NEW PATH OPENING

Our new path is taking shape and is promising to look fantastic! Brent Piltz has been working hard to make the new entry to our school look very inviting.

The official opening of our path will be on Tuesday 16th May starting at 10.30am. This will be held in conjunction with Australia's Biggest

Morning Tea - please bring a donation for this very worthy cause.

We will also be re-burying the time capsule on the day. Our students will be contributing by writing a letter to themselves - to be opened 25 years from now!

NAPLAN TESTING

Naplan testing for students in Years Three and Five will commence next week (Tuesday 9th to Thursday 11th). These tests provide a snapshot of the children's learning and provide valuable information for teachers regarding future focus areas.

STAFF CHANGES

We are pleased to announce that Miss Morrow will now be working here regularly three days a week.

THANK YOU!!

A big thank you to our wonderful P & C who have funded some major projects already this year including repair of our playground soft-fall and the building of our new path. The P & C has also agreed to contribute to the purchase of new laptop computers for our students.

Thank you all for your amazing efforts!!!

HOUSE CLEANER WANTED

House cleaner wanted in the Alma Park area.
