Thursday 15th June Riverina Cross-country

Future dates

Monday 26th June Reports sent home

Wednesday 28th June Parent/teacher interviews

Friday 30th June Last day Term Two

Photographic moment

GK cross-country age champions Kai, Tash and Declan proudly show their medals.

Declan and Tash will now compete at the Riverina Cross-country in two weeks.

SOUTHERN RIVERINA CROSS-COUNTRY

Last Friday our cross-country squad consisting of Declan Clancy, Joseph Clancy, Chloe Scholz, Natasha Beckett, Kai Herald, Breannah Coghlan and Harriet Clancy travelled to Burrumbuttock to compete in the Southern Riverina Cross-country carnival.

All students enjoyed running the course and competed fiercely. Congratulations to Declan and Natasha who both finished third in the respective age groups and will now compete in the Riverina Cross-country carnival in Gundagai later this term.

PATH OPENING

The official opening of our path took place on Tuesday 16th May and we were again blessed with beautiful weather.

We had nearly 100 visitors enjoy a delicious morning tea while they witnessed our new path officially opened, with the ribbon being cut by our youngest student - Jacob Doolan and longest serving staff member - Mrs Clancy.

We also reburied our time capsule - which is scheduled to be opened again in 2041 when the school will be 150 years old!

SAUSAGE ROLLS

Next Tuesday 6th June Mrs Denise Coghlan will be visiting our school to cook homemade sausage rolls with all of our students.

We are very fortunate to have Mrs Coghlan come in twice each year to cook with our students. The sausage rolls are absolutely delicious and are enjoyed by both students and staff!

Students will not need to bring their lunch on this day as the sausage rolls will be cooked and ready.

Thank you to Mrs Coghlan for kindly donating both her time and the materials.

SCIENCE DAY

Yesterday we travelled to Boree Creek to participate in the Greater Kengal Science day.

We joined with students from Yerong Creek and Boree Creek and were put into groups

according to our year level. We then went participated in a special science lesson involving experimenting and investigation. The lessons on the day included making slime, designing a tower from marshmallows and spaghetti, designing a balloon-powered lego car as well as designing a boat that could hold the most mass.

We also completed some skipping activities which were run by our Year six students.

HOT LUNCHES

A reminder that our hot lunches are now on THURSDAYS until the end of the term.

PARENT/TEACHER INTERVIEWS

Our half yearly parent/teacher interviews will be held on Wednesday 28th June here at school. More information regarding times will be sent out as the date approaches.

Half-yearly reports will be sent home on Monday 26th June.

OOPS!

In the last newsletter we missed mentioning Kai Heald as Junior Boy Age Champion at the Greater Kengal Cross-country. Well done, Kai!
