RIVERINA CROSS-COUNTRY RESULTS

Congratulations to Declan and Natasha who competed today in the Riverina Cross-country carnival in Gundagai. Both students were very competitive with Tash finishing 15th in her age group and Declan finishing 23rd. It is a huge effort to get to this level and both students must be commended on their achievements - we are very proud of you both!

OSMO

We have recently purchased a new learning resource for the students called Osmo. It works through an iPad and engages the children in number, letter, coding and shape based experiences allowing the children to problem-solve and work collaboratively. It is a unique gaming accessory that fosters social intelligence and creative thinking. The system has proven to be very popular with the students and will become an integral part of our learning activities.

SAUSAGE ROLLS

Last Tuesday Mrs Denise Coghlan visited our school to cook homemade sausage rolls with all of our students.

A huge thank you to Mrs Coghlan for kindly donating both her time and the materials. The sausage rolls were absolutely delicious and both students and staff are already looking forward to the return of Mrs Coghlan in Term Three.

NEW LAPTOPS

We are eagerly awaiting delivery of our four new laptop computers. These were made available from a sizable contribution from our P and C.

CAKE STALL

Thank you to everyone who was able to contribute to the cake stall held last Friday at Lockhart. The stall raised \$1305!! A mighty effort!

PARENT/TEACHER INTERVIEWS

Our half yearly parent/teacher interviews will be held on Wednesday 28th June here at school. More information regarding times will be sent out as the date approaches.

Half-yearly reports will be sent home on Monday 26th June.
