Breannah, Denise and Nicholas Coghlan.

OPEN DAY

On Tuesday 1st August we held our annual Open Day as part of Education Week, and we were again blessed with a perfect day.

It was wonderful to have so many parents, grandparents, family and friends turn up to visit the children in their classrooms, play some games run by the students and share in a BBQ lunch.

As part of our special assembly we gave our regular merit and class dojo awards as well as some special Education Week awards. Congratulations to Mrs Denise Coghlan who recieved a certificate of appreciation for her volunatary work in cooking with the students. Mrs Coghlan comes in to our school twice a year and cooks delicious sausage rolls with the students (and supplies all of the ingredients). Thank you!

Our games raised money for Stewart house, with \$97 raised on the day. A great effort!

We also had over \$250 worth of books donated to our library by generous parents and family members. Thank you!

NEW LAPTOPS

Our new laptops have finally arrived!!! Thank you to the P & C for their generous donation in assisting us with this purchase.

ILLNESS

We have had many students sick in the past week. I encourage you to please keep your child home if at all possible while they are unwell.

SRPSSA ATHLETICS

Unfortunately the SRPSSA Athletics carnival was called off at the last minute today due to wet weather. While the track is an all weather surface, the spectator areas and infield had received over 18mm of rain. The carnival will now be held on Tuesday 15th August. This may actually be to our advantage as we had some students due to compete today who had been quite sick during the week.

CWA VISIT

Next Wednesday 9th August the ladies from the CWA will visit us to hold their AGM. The ladies traditionally cook us a yummy lunch and provide a speaker to talk to us about this year's Country of Study - Nepal. Primary students have been working on Powerpoint presentations as part of the CWA Country of Study competition.

BOOK WEEK PARADE

We will be having a Book Week parade on Wednesday 23rd August here at school. All students are asked to come dressed as their favourite character from one of their favourite stories.
