Friday	22nd Sept	Last day Term 3

Photographic moment

A fantastic day for our first Book Week parade at PHPS!!

Declan and Joseph display their talents in gymnastics under the watchful eye of Abby.

BOOK WEEK PARADE

It was wonderful to see our students take so much enjoyment from our Book Week parade held on Wednesday 23rd August. The costumes were fantastic! Thank you to the parents and visitors who were able to visit us for our parade. We are planning on making it a regular event on our calendar.

RIVERINA ATHLETICS

Today we have Joseph Clancy, Declan Clancy, Natasha Beckett and Kai Heald participating in the P6 relay at the Riverina Athletics carnival in Albury. The team will be doing their best to finish either first or second - which would gain them a trip to Sydney for the State Athletics. Thank you to Kai Heald for taking the place of Chloe Scholz who was unfortunately unable to compete.

BERNIE O'CONNOR FOOTBALL/NETBALL

The annual Bernie O'Connor Football and Netball carnival was held last Friday at Yerong Creek. Our students participated eagerly and showed great improvement over the course of the day.

GYMNASTICS

On Monday we had a gymnastics instructor from Flyaway Gymnastics run sessions with our students. Our students all participated in two sessions, and will do the same next Monday.

We will complete our gymnastics program by visiting the Flyaway Gymnastics Centre in Albury on Monday 18th September. A permission note and further information will be sent out next week.

STAFF TRAINING

Staff will be participating in Professional Learning in Bathurst on Monday 11th and Tuesday 12th September.

Mrs Frances Terlich and Mrs Liz Lane will be

the teaching staff on duty over these two days.

WELCOME MISS JACKSON

We are pleased to welcome Miss Caitlin Jackson to our school as she completes a five-week practicum as part of her studies at CSU.

Miss Jackson will be working primarily with the students from Years 3-6.

LIFE EDUCATION VISIT

Yesterday we participated in our annual Life Education day. We were joined by Boree Creek and Yerong Creek Public schools. All students joined with students from the other schools and participated in a visit to the Life Education Van, a Bluearth session with Sarah and and AFL Clinic with Development Officers from Wagga. The AFL donated an AFL bag, football and footy cards pack to each student!!! (Thank you to Marc Geppert from AFL Wagga).

A big thank you also to Virginia Clancy (aided by Jade Coghlan) who provided hot lunches to over 60 children!! Thank you!!!

EXCURSIONS

Our Primary students are very excited to be heading to Sydney next Tuesday for a three day excursion. Accompanied by Mr Schultz and Miss Morrow, we will combine with students from Boree Creek and Yerong Creek Public schools to visit the Sydney Aquarium, Bondi Beach, Circular Quay, Taronga Zoo, Sydney Tower, the Rocks and the Sydney Aquatic Centre.

Our Infants students will travel to Altina Wildlife Park on Wednesday with the Boree Creek and Yerong Creek students. They will be accompanied by Miss Jamieson and Miss Jackson.
