Happy students!

WELCOME BACK!

Welcome back to all of our students and their families to another very busy school year.

Our students have started the year with enthusiasm and are very settled both in the classroom and in the playground.

The Infants classroom has been a hive of activity with many eager young minds at work.

The Primary classroom has been fantastic with our Year Three students fitting in very quickly.

During 2018, Miss Jamieson will again teach our K-2 class while Mr Schultz will teach the 3-6 class.

The P & C will hold their first meeting and a BBQ on Monday 26th February.

We are all looking forward to a great year here at Pleasant Hills Public School!

KINDERGARTEN 2018

Our Kindergarten students for 2018, Isabelle Male and Sam Heald, have settled in very quickly to their 'big school'.

We welcome Isabelle's parents, Anthony and Amanda Male, to our school community.

Sam joins big sister Charlotte and big brother Kai here at PHPS.

It is wonderful to see Sam and Isabelle thrive in their new environment!

SWIMMING CARNIVAL

The Greater Kengal Swimming Carnival was held yesterday at Lockhart Swimming Pool.

Well done to all of our students who participated actively and competitively.

On a 40 degree day, the water was certainly the best place to be!

Congratulations to Boree Creek PS who were the winning school on the day.

Any students progressing to the Southern Riverina Carnival will be informed next week.

Sam and Isabelle have fitted in quickly!
