Wednes- day	4th April	Landcare excu- sion (Years 3-6)
Friday	13th April	GK Cross-country

## Photographic moment

*Happy students!*

*A very proud Coghlan family!*

## P & C MEETING

Our first P & C meeting for the year will be held on Monday 26th February here at school, starting at 5pm. As is tradition, our first meeting is also an opportunity to welcome our new families to our school by holding a BBQ dinner.

Families are asked to bring a salad to share. Meat is provided - BYO drinks.

## VISIT TO YERONG CREEK

Our students will travel to Yerong Creek Public School on Friday 16th March to watch a performance by Per Westman. This is a wonderful opportunity to meet with the other students in our Greater Kengal Network.

Harmony Day activities will now be held at individual schools.

A permission note will be sent home with students next week.

## SCHOOL CAPTAIN INDUCTION

Last week we had the opportunity to officially induct Breannah Coghlan as our School captain for 2018. Breannah's parents and grandparents were in attendance to witness Breannah recite her vow to our students as their leader for this year.

Breannah has been a wonderful Captain so far this year, showing a mature and gentle approach to her leadership.

It was a wonderful day for the Coghlan family, as Nicholas was the recipient of both a merit award and a Principal's Award.

## THANK YOU TO VON AND LES

A big thank you to Von and Les Heald who have offered to take our ride-on mower to Albury for us to be repaired.

Von has also assisted by mowing our school lawns in preparation for next week's P & C BBQ. Thank you!!

*Proud parents Nidine and Justin with School Captain Breannah Coghlan*

*Beau enjoying recess time.*
